About the Group:

MobilityOne is the holding company of an established group of companies in the business of providing e-commerce infrastructure payment solutions and platforms through their proprietary technology solutions, which are marketed under the brands MoCS and ABOSSSE.

The Group has developed an end-to-end e-commerce solution which connects various service providers across several industries such as banking, telecommunication and transportation through multiple distribution devices such as EDC terminals, short messaging services, automated teller machines, and Internet banking.

The Group's technology platform is flexible, scalable and has been designed to facilitate cash, debit card and credit card transactions from multiple devices while controlling and monitoring the distribution of different products and services.
