Share price movement

MobilityOne (AIM: MBO), the e-commerce infrastructure payment solutions and platform provider, notes the recent movement in its share price. The Company is pleased with the new partnership announced earlier today with MoneyGram Payment Systems, Inc. and is hopeful that the agreement will contribute positively in the future to the Company's growth. However, the Company does not anticipate that the agreement will have a material impact or contribution to the current growth prospects of the Group.

The Company knows of no other reason for the share price movement.
