Delay in publication of Annual Report and Accounts

MobilityOne (AIM: MBO), the e-commerce infrastructure payment solutions and platform provider, announces that its audited annual report and accounts for the year ended 31 December 2024 ("FY 2024") will not be finalised by the end of June 2025, as stipulated under Rule 19 of the AIM Rules for Companies.

The preparation of the Company's financial statements for FY 2024 has been ongoing. Notwithstanding this, despite the best efforts of all parties, the auditors in the UK require further time to complete their audit. Accordingly, the Company expects the accounts to be published in July 2025.

This delay to the publication of the audited FY 2024 annual accounts means that trading in the Company's ordinary shares on AIM will be suspended with effect from 7:30 a.m. on 1 July 2025 and will remain suspended until the publication of its audited FY 2024 annual accounts.

The Company will release further announcements as and when appropriate.
